

INSTRUCTIONS

1. **Choose Your Watch Style:** Browse the catalog and select your preferred style of watch.
2. **Customize the Case:** Pick the case color and style (if options are available).
3. **Select the Band:** Choose the band's color, material, style, and buckle color (if options are available).
4. **Decide on the Case Back:** If available, select either an open or closed case back.
5. **Pick the Dial:** Choose the dial's style and number design.
6. **Select the Hands:** Choose the style and colors (if options are available).
7. **Select the Bezel:** Choose Bezel style and colors (if options are available).

Example Order:

Watch Style: GMT

Watch Case: Gold

Watch Band: Rubber/Black, Buckle/Silver

Case Back: Open

Dial: Metal X/4

Hands: Style 1/Blue &Black

Bezel: Style 2/Blue/Grey

Note:

- If you find features you like in a different watch style section that are not listed in your chosen watch style, please contact us, and we'll check if it's possible to include them in your selection.
- If there are any details or customizations you don't see in the catalog and would like to explore, feel free to reach out, and we'll confirm if they can be accommodated
- If you have any questions at all, don't hesitate to reach out!

CUSTOMIZATION

- **Logo:** Would you like the original Brand logo, or would you prefer a custom logo?
- **Dial Text:** Would you like custom text on the dial? If yes, specify the text and its location via the numbers on the dial example below.
- **Movement Text:** Would you like custom text on the movement? If yes, provide the details.
